```
            ( You want to join
                 Facebook. )
                     |
                     v
            [ Go to
              www.facebook.com ]
                     |
                     v
            / Fill in the information
              boxes under "Sign Up" /
                     |
                     v
            [ Click the "Sign Up" icon ]
                     |
                     v
            [ At the bottom of the page,
              click "Terms of Use" and
              "Privacy Policy" ]
                     |
                     v
            [ Read the Terms
              of Use and Privacy
              Policy ]
                     |
                     v
( Exit Facebook. You    < Agree to both       Yes   [ Follow the
  cannot sign up )  <No-   Terms of Use and    ->      instructions for the
                          Privacy Policy? >            Security Check ]
                                                            |
                                                            v
                                                     [ Click the "Sign Up" icon ]
                                                            |
[ Click "Skip this step" ] <No- < Find friends    Yes-> / Enter your email address /
              |                    through email? >            |
              |                                                v
              |                                        [ Click "Find Friends" ]
              |                                                |
              v                                                |
[ Click "Skip" ] <No- < Add personal       Yes-> / Enter the information you
        |               school or work               want to share /
        |               information? >                       |
        |                                                    v
        |                                            [ Click "Save & Continue" ]
        |                                                    |
        v                                                    |
